

# *BARCELONA COOL OFF*

## *El Molí de la Riera*

---

From 7 to 13 years old

your true *English immersion* experience

# LOCATION

One of our options is the "Molí de la Riera" located outside Sant Pere de Torelló, a small town in the Vic plain (in the province of Barcelona). This house is located in a rural environment surrounded by woods with large oak groves and riverbank vegetation.

The Ges river is located right by the house, and, in the past, it used to work as a mill (therefore its name). The water from the river is clear and calm and the river is not too deep making it appealing to take a swim in summer.

# FACILITIES

The house has been refurbished and the facilities are safe and modern. In addition, the house has large areas to carry out any type of program activities: swimming pool, football field, basketball court, woods area with a hill, wide area with shade in front of the river and various multipurpose rooms.

This year we'll enjoy a whole day in the Sant Ponç reservoir, a unique environment in which we will try to keep our balance on the huge paddle surf boards. We'll also have to be skilful and not fall off the BusBob, a banana pulled quickly across the water. An incredibly exciting experience! And to make the most of the magnificent surroundings of the Molí de la Riera, we'll on an expedition to the river fitting for only the most fearless explorers where we will find natural slides!

# THE TEAM

Now we present to you the directors that will be with your children during the Cool Off 2022!

Vanessa

Hannah
